For over 28 years, Lomar has been your source for Aeroquip crimp equipment, proof testers, and FLOCS units. In recent years, Lomar has added the Synflex Mark IX and Mark X swagers, Eaton Standard Power Units and as of April 2011 the complete line of Weatherhead crimp machines. Lomar manufactures, services and manages inventory for all of these product lines.

Customer Service

Aeroquip Distributors

Aeroquip distributors can contact Lomar directly for technical support, minor field repair questions, repair services, spare parts and warranty questions. **1-888-AT-LOMAR, (1-888-285-6627)** or visit our website (www.EatonCrimperSupport.com). Helpful tech tips and product service video's are available on line.
